

Adoption fees

Thank you for considering offering a home and lifelong love and care to one of our needy animals. We hope we are able to match you with your ideal companion and can look forward to meeting you soon. Fees are payable by cash / card on collection.

Animal Adoption Fees

We ask for a minimum adoption fee for all animals we home, which goes just some way to cover the costs of their care during their time with us.

CATS & KITTENS

- Cats (6 months +): £120
- Kittens (under 6 months): £150
- Pedigrees: Fee on application

DOGS & PUPPIES

- Dogs (6 months +): from £350
- Puppies (under 6 months): from £400

Adoption fees for cats & dogs include:

- Neutering
- Microchipping
- Flea treatment & worming up to date
- Vaccinating up to date
- Vet check

SMALL PETS

- Rabbits: £60

Includes:

- Neutering
- Microchipping
- Vaccinating up to date
- Vet check

- Guinea Pigs: £40

Includes:

- Neutering of males
- Vet check

For all other animals, fees on application.

Adoption fees are payable in full by cash or card at the time of collecting the animal.

The adoption fees are generally much lower than the expenditure on each animal whilst in our care, and we always greatly appreciate any additional donation you are able to make to help our work continue.

Thank you.
